Welcome to Week 5!

Student Voice
Over the last 2 weeks the year 7 students have had the opportunity to meet with teachers from the High School. This has been a great chance for students to raise concerns, ask questions and identify expectations ahead.

Principal 2017
As you all know Helyn Strokowsky secured a new role in Port Pirie at the beginning of the year. This was Helyn’s final year of her tenure. Next year I (Ree Tyas) will again take on the role of Principal of Peterborough Primary & Yunta Campus. I look forward to working with you all again in 2017 and we work together to move forward to provide a quality education for all.

Peterborough Primary School & Yunta Campus provides challenging and engaging learning for all students. We strive to support students to become the most successful learners they can be through setting high expectations and challenges to ensure growth and engagement in learning.
We promote the wellbeing and resilience of young people by inspiring, engaging and empowering.

Transition Week
Next week all students from Preschool to year 7 will be involved in a transition program to ensure smooth changeover into the next year level. The Year 7 students will be at the High School on Monday, Tuesday and Wednesday for 3 days of High School lessons. This should be a great experience of the High School system.

The Preschool students have already be transitioning since term 1 this year spending time in the R/1 class; making new friends and learning about Peterborough Primary School. On Tuesday the Preschool children will be visiting us for the whole day.
Tuesday will be a whole school transition day. All students will spend the day in their new class and for some with their new teacher.
It promises to be a very exciting Transition week with many new experiences. We wish all students well next week.

School Camp
The 5/6/7 class was a great success at Pt Vincent. Some students were pushed to their limit with the activities but were PERSISTENT and RESILIENT and had a go. Many surprised themselves with what they could achieve if they put their minds to it.

Wednesday 30th November Rainbow Bus visit for ATSI children

Our School Values: Responsibility Respect Kindness Honesty = Excellence

**Dates To Remember**

- **Tuesday 22 November**: Governing Council Meeting (To approve 2017 M&S Charges)
- **Wednesday 30th November**: Rainbow Bus visit for ATSI children
- **Monday-Friday 5-9 December**: Reception-Year 4 Swimming Lessons
- **Tuesday 13 December**: School Concert
- **Wednesday 14 December**: School Picnic/Swimming Carnival
- **Thursday 15 December**: Year 7 Graduation
- **Friday 16 December**: Last Day of School Year—Dismissal 2.10pm
- **Monday 30 January 2017**: First Day of School Year 2017—9 am

**Remembrance Day**

We held a Remembrance Ceremony at the school on Friday with classes making and laying wreaths. One minute silence was observed to pay our respects to the many men and women who were killed in action or who had fought in war.

The year 5/6/7’s represented the school at the Ceremony in the Main St. and lay wreaths at the War Memorial.

**Information Report**

- Koalas can live to be around 15yrs old.
- There are about 400,000 of us left in Australia, but everyday our habitat is being destroyed.
- Koalas spend about 19hrs each day just sleeping and resting.
- Generally, koalas prefer to live alone.
- Occasionally we feed on several other trees, like the golden wattle, coast tea-tree and cherry tree.
- Our total diet is only 500g a day, which is equal to a bowl of cereal.
- We eat the leaves and buds of over 120 varieties of eucalyptus trees.
- The reason we don’t have much energy is because we eat so little.

**Lost Property**

There is still a lot of lost property in the Maths room. Please look to see if any belongs to your child/children.

**HATS - Term 1 - 3 - 4**

**NO HAT - NO PLAY**
